

# Panduan Membuka Account Trading

- Buka website : [www.indonesiantrader.com](http://www.indonesiantrader.com)
- Klik submit “Open Live Account”

The screenshot shows the homepage of Indonesian Trader. At the top, there is a navigation bar with links for Home, Tentang Kami, Platform, Jenis Account, Pengantar Trading, Edukasi Forex, Tools & Services, Produk, Promosi, News, and Contact Us. Below the navigation bar is a main banner area. On the left, there are three vertical panels labeled 'LEARN WITH US', 'PLATFORM TRADING', and 'AUTO TRADING'. In the center, there are several mobile devices (laptop, tablet, smartphone) displaying trading charts. To the right, there is a large image of a computer monitor showing a trading platform interface with the text 'Platform Terbaik' and 'Trading dimanapun, Eksekusi Cepat dan Transparan'. Below the banner, there are two buttons: '>> Open LIVE ACCOUNT' (circled in black) and '>> Open DEMO ACCOUNT'. At the bottom, there is a section for market rates (GBP/USD, EUR/GBP, GBP/JPY, GBP/CHF, EUR/CHF) and a 'Penting Untuk Trader' section with links to '01. Forex Dasar', '02. Panduan Buka Account', and 'Metatrader 4 untuk Windows'.
